

We hear the first two words on this logo but how often do we hear the last word? Well read on

2 weeks ago we received the email printed in italics below through our South Molton Methodist Church website. It was read out at our Church Council and we felt it was important everyone could see

it. We hope you will be as blessed and encouraged as we were. It reminds us again of how we always need to welcome all who come to worship with us and to appreciate those who lead us in our worship and music.

"We came to your morning service on Sunday 26th June.

We are sorry that we haven't been in touch before to say how much we appreciated the worship.

Please pass on our thanks to Mrs Worden who preached, the music group and the gentleman who led the worship before the service, as well as the congregation who were so welcoming.

Our son and daughter in-law were very moved by the service.

We live in Penzance and were delighted to join you in worship.

I have just been reading your notice sheet and pray for your vision for your church.

May God bless you all as you serve Him in South Molton."
